Let's Talk....Kids

"Sacred Time"

Happy New Year! In a few days we will be in a whole new decade - the Soaring 20s! We have this one decade to turn climate change around and build a healthy future.

Let's Talk...Adults

"Survey Time"

Our Whole Lives is comprehensive, developmentally appropriate, and science-based sexuality education for youth in churches. HUCC has offered OWL classes to its young

Kids, you are a part of that! As we approach 2020, I (Pastor Chelsea) am incredibly happy and grateful to be your pastor, building sacred community with you at this special time. After Christmas, a new season of the church year will start - Epiphany! This is a time when we look around to "see" and "find" the sacredness of Jesus in all things, in all parts of our life. One way I see new light shining in our lives at HUCC is that Pastor Marijke has come to soothe our hurts and emptiness, after we lost some of our beloved leaders in the fall.

This Sunday, December 29, there will be a congregational meeting and vote to call Rev. Marijke Rossi as our bridge pastor. Please come! Thanks!

Nice Crib, Baby Jesus!

Wherein Baby Jesus says "Whatever you gave to those in need this year, you gave to me."

Come Learn about Refugees this Sunday!

Did you know that Baby Jesus and his family were refugees? This Sunday we are celebrating "Compassionate Joy" by remembering that after Jesus was born on Christmas, his government pursued him and tried to kill him. His parents fled and took him to Egypt where he could be safe. When they returned, they found that the town where he was born had been the site of a terrible massacre of children, and was still not safe for him to live in. So they had to resettle in the town of Nazareth, which welcomed them and offered them sanctuary. Sound familiar? Many members of our community in Utah are refugees from all over the world, including longtime undocumented residents and new arrivals from Central America. Our Sunday School teacher Ms. Becky is going to share her own experience with helping offer "sanctuary" to a family right here in Salt Lake facing similar circumstances to the Baby Jesus.

members for many years! Now, with the publication of a brand new "older adult" OWL curriculum, we are wondering if adults in our congregation would be interested in taking a few OWL workshops! The adult faith formation team is especially interested in offering some education to our members about gender fluidity and nonbinary gender, as we support the full inclusion of transgender people in society and our church.

PLEASE take a minute to fill out this survey to help the Faith Formation Team plan our OWL program for the coming year!

This survey is not just about youth, but is for people of all ages! Thank you!

Book Recommendation:

In *Parenting Forward*, Cindy Wang Brandt equips Christian parents to model a way of following Jesus that has an outward focus: loving others, avoiding judgment, and helping those in need. She shows ways for parents to work on dismantling their own racial, cultural, gender, economic, and religious biases in order to avoid passing them on to their children. Check out [her podcast](#) for specific justice practices!

Article Recommendation:

Rev. Amelia Richardson-Dress, Associate Pastor of UCC Longmont in Colorado, on her fabulous blog "Barefoot Family," offers [this great kit](#) on talking about stewardship, pledges, and money with your kids!

The Clapper

"Applauding Our Kids"

Did anyone hear the Wesley Bell Ringers at HUCC this holiday season? Yowza! The youth rehearse twice a week to make these beautiful sounds, but more importantly, "to create lasting friendships built on fun times ahead and difficult times overcome"! Isn't that what we all should be doing? Thank you, youth, for setting a harmonious example!

CONGREGATIONAL MEETING

This Sunday, December 29

A Congregational Meeting will be convened on December 29 to vote on calling the Rev. Marijke B. Rossi as bridge pastor at Holladay UCC.

The meeting will be held immediately after morning worship. Child care will be provided in the nursery.

The call was recommended by the Bridge Pastor Search Committee (Carl Adams, Dennis Bayes, Dawn Mangelsen, Laurie McBride, Leslie Jerominski, Rori Piggott and Rick Spratling) after a search process authorized by members at an October 20 Congregational Meeting. The bridge pastor will not be eligible to be a candidate for settled pastor.

Pastor Marijke has been serving as supply pastor since November 4, performing senior minister duties in the vacancy created by departure of Pastor Fred Evenson.

A supply pastor is a clergy member who is not formally installed and serves for a limited time as a congregation's acting pastor. A bridge pastor customarily serves a longer tenure, stepping in to help a congregation "bridge" the path to filling a pastoral vacancy.

Please come and vote!
